## WOOD STRIPPER - DATA SHEET

### DESCRIPTION

Seal King's Wood Stripper is designed to remove most stains or existing finishes off of wood surfaces thus preparing the wood for step 2 of the (SPS) Program.

### BENEFITS

- Biodegradable.
- Removes solid and semi-transparent exterior wood stains.
- Removes most oil or latex based sealers and paint.
- Prepares surface for continued protection.
- Easy to use.

### DIRECTIONS FOR APPLICATION

- Wear goggles and rubber gloves.
- Remove all dirt and debris from surface.
- Wet surface with water.
- This product may be diluted with water. Do a test patch to determine effectiveness.
- Apply onto wood surface with a sprayer, brush or roller.
- Let stand 15 to 20 minutes.
- For surfaces without previous stain agitate with brush or broom then rinse with water. For surfaces containing previous stains use a power wash.
- After removal use Seal King's Wood Conditioner to neutralize the stripper.

### CAUTION

- Do not use indoors.
- Avoid skin and eye contact, if contact occurs wash thoroughly with cold water.
- Avoid breathing vapors, use adequate ventilation.
- Store in a cool, dry place, and protect from freezing.
- Keep away from children.

### PLEASE NOTE

- Do not store in temperatures below 4°C.
- Rinse with water all adjacent surfaces including plants before and after application.
- Protect aluminum siding from over spray.
- Wear proper skin and eye protection at all times.
