Lacquer Thinner - Technical Data Sheet

Description

Seal King's Lacquer Thinner is a multi purpose product and is used traditionally to clean brushes, rollers, and paint spraying equipment. Lacquer thinner also works well to clear up any blushing or whiteness of sealer due to moisture and can be used to strip former sealer from paving stone and concrete.

Application Instructions

- Make sure the area is completely dry and free of water.
- Apply LACQUER THINNER on the surface.
- Scrub with nylon scrub brush for 1 minute. **DO NOT** use a steel brush.
- Soak up loose sealers with a dry, clean rag or use a high output pressure washer.
- Repeat process if necessary

Available Sizes

18.9L / 5 Gallons
3.78L / 1 Gallon

Available Finishes

N/A
